THE WALL THAT HEALS

VIETNAM VETERANS MEMORIAL REPLICA & MOBILE EDUCATION CENTER

★
 A PROGRAM OF THE VIETNAM VETERANS MEMORIAL FUND
 FOUNDERS OF THE WALL

ON DISPLAY AT CHAMBERLAIN, SD
AUGUST 10-13, 2017*

*Closes Sunday at 4pm.

On Veterans Day 1996, the Vietnam Veterans Memorial Fund (VVMF) unveiled a half-scale replica of the Vietnam Veterans Memorial in Washington, D.C., designed to travel to communities throughout the United States. Since its dedication, **The Wall That Heals** has visited more than 400 cities and towns.

Bringing The Wall home to communities throughout the US allows the souls enshrined on the Memorial to exist once more among family and friends in the peace and comfort of familiar surroundings. The traveling exhibit provides thousands of veterans who have been unable to cope with the prospect of facing The Wall to find the strength and courage to do so within their own communities, thus allowing the healing process to begin.

Local support for **The Wall That Heals** comes from your membership in Friends of South Dakota Public Broadcasting.
