01/25/2022 - Dear Resident, Resident Representative and Staff

We are currently in what CMS defines as Outbreak Status. This occurs and status remains in place for 14 days each time we have a new case of covid in staff or resident. Testing and surveillance for Covid increases during outbreak status based on contact tracing.

Currently the total COVID19 active cases in staff is (Eleven) and (Zero) active case in residents. Most recent date of a positive case of covid at SVH is 01/25/2022.

Activities are available while following core principles of infection prevention and we encourage residents to tune into the internal channel 88 to see the activities schedule.

Visitation continues as per current visitation guidelines, visitors do have to use the screening kiosk to sign in and out, reminder that during outbreak status the visitor must keep their mask on even while in the resident’s room.

Core principles of infection prevention that are posted throughout the facility are of utmost importance and we highly encourage all residents to wear masks when out of their rooms.

If you have any questions regarding your loved one’s care, please call their Resident Care Coordinator at 605-745-5127 extension:

Nasa and Stars & Stripes – Natalie Hooper –1500229   Veterans Lane & Old Glory – Rebecca Phippen– 1500444
Custer and Joe Foss – Tracy Liston –1500219           South Pacific and JASCO – Susan Stava –1500506

We continue to follow all precautions based on state and federal guidelines as well as CDC and DOH recommendations to ensure the safety of our residents and staff. As always, if you have any questions or concerns, you can call 605-745-5127 ext.1500116.

Sincerely, SVH Leadership Team
