

Effective Immediately & Until Further Notice

Date: 3.16.2020 Last Revised: 3.19.2020

SDVH is increasing measures within facility for safety of residents and staff. This is effective for nursing care and RLS residents – **ALL residents**.

Staff are to remain in household/neighborhood they are scheduled as much as possible.

Following measures are in accordance with CDC guidelines to practice social distancing and limit community exposure.

1. ALL residents are quarantined to facility at this time, no resident is to leave campus.
 - a. Residents to remain within their households when at all possible
 - i. Residents are still allowed to go to essential medical appointment
 - ii. Residents are still allowed to go out to smoke
 - iii. Residents are still allowed to go to bistro to get coffee/tea
 - iv. Residents are still allowed to check their mail within facility
 - v. Residents are still allowed to go to chapel on individual basis (no group activities to occur in chapel)
 - vi. Residents may use exercise room but only ONE resident at a time and resident to wipe down all equipment used
 - vii. The library, cashier's office, and mini-mart will remain open at this time.
 - b. Staff – if residents are coming onto household from another household please ask them to return to their own household
2. All group activities are cancelled (ex. bingo, game room card games, PT group, Social work groups etc)
 - a. Activities to occur only within each household
 - b. PT and/or Social groups will be held within each household

We encourage you to go for walk outdoors on facility grounds!
